Neighbor-to-Neighbor WATCH

Sponsored by:
Concerned Citizens of the Plainview-Old Bethpage Community, Inc.
A member organization of:
The National Association of Town Watch

Dear Friends & Neighbors,

Due to the increase in local crimes such as burglary, break-ins and home invasions, our organization is sponsoring a "Neighbor to Neighbor Watch" program. As part of this program we will forward you timely alerts our organization receives as members of the Nassau County Police Department-SPIN Network and important community news. If you wish to participate, and let others know that the eyes of our community are watching your home, please forward the form below to Concerned Citizens of the Plainview-Old Bethpage Community, Inc. We will forward a window decal and/or a car bumper sticker, and add you to our Neighbor-to-Neighbor e-mail list.

We encourage you to adopt a neighbor who may not have internet access. Simply print out our e-mails and distribute to their home. Keeping all of our residents informed is appreciated and a goal of this program.

Thank you for your support.

Sincerely,
Carol Meschkow
President
