

# COLLEGE AWARDS ANNUAL CAMPAIGN

## Plainview-Old Bethpage John F. Kennedy High School PTA

Dear Families of POBJFK High School,

In our community we pride ourselves on the quality of education provided to our children, as well as the guidance given to prepare them for their futures. The fine reputation and outstanding achievements of our students are well known. This adds to our community's distinction, continuing to make Plainview-Old Bethpage a desirable place to live and work.

As students prepare to graduate from POBJFK High School, many awards will be presented to them based on their academic achievements. **The *College Awards* campaign is unique in that it recognizes graduating seniors for their dedicated involvement in school and/or community or their family.** It is meant to reward students who have learned the value of commitment and responsibility. Your contribution will go towards helping deserving students who are pursuing their college dreams.

**Contributions can be made on several levels, or choose your own amount:  
Founders Circle \$200+; Benefactor \$100; Patron \$75; Sponsor \$50; Supporter \$25**

**Please join others who are making a difference in this year's campaign.**

Last year we were able to present 12 students with awards with your generous support. As the cost of higher education increases, it is our wish to increase the number of awards given to very well deserving students. **With your help, we can achieve this goal!**

Kind Regards, Anna Nizzari and Susan Stromberg, Vice Presidents POBJFK HS PTA Awards
