

# *Dollars for Scholars* Annual Campaign POB John F. Kennedy High School PTA 2012

Dear Parents and Guardians of Plainview Old Bethpage students,

The Plainview Old Bethpage community prides itself on the quality of education as well as the guidance given to the children to prepare them for the future. The community can also boast about the amount of time and dedication students give back to their community through volunteering. This adds to the Plainview Old Bethpage community's distinction making it an extremely desirable place to live and work.

Many awards are presented to the graduating seniors based on their academic achievements, but the **Dollars for Scholars Award** is unique in that it recognizes students who have displayed responsibility of commitment, growth and history of service in their choice of activities in the **community** through school clubs and/or organizations. Your contribution will continue the tradition and values of our caring community and will help deserving students with their college dreams. **Contributions can be made on several levels:**
